

WARD RECYCLING ENHANCING FLEET EFFICIENCY WITH BUDGET MOBILE BODYSHOP'S COMPREHENSIVE SERVICES

WARD RECYCLING

Since 1940, Ward Recycling has been a cornerstone in the recycling industry, specialising in ferrous metal recycling in Woodville, near Burton-on-Trent, Staffordshire. With a diverse fleet of HGVs, vans, and company cars, Ward Recycling has relied on Budget Mobile Bodyshop's comprehensive services to maintain their vehicles' integrity and appearance for several years.

This case study highlights how Budget Mobile Bodyshop's responsive service and swift turnaround times have met Ward Recyclings' fleet maintenance needs. Ward Recycling's long-standing presence in the recycling sector underscores its commitment to sustainability and environmental stewardship. Operating from its base in Staffordshire, it has established itself as a trusted name in ferrous metal recycling, catering to a wide range of industrial clients.

THE CHALLENGE

Maintaining a fleet of vehicles in peak condition is essential for Ward Recycling to ensure the smooth operation of their recycling operations. However, wear and tear, as well as occasional accidents, pose challenges that require prompt and efficient resolution to minimise downtime and maintain operational efficiency.

KEY FACTS | THE CLIENT

- Waste disposal and recycling company.
- Client for over 8 years.
- Business has utilised all three of our key services.
- We service their HGVs, vans, company cars, and alloy wheels.

KEY FACTS | THE REPAIR

- Colour coded paint matching.
- Work conducted at our bodyshop.
- Work completed within a 24 hour period.
- Minimal (VOR) Vehicle off-road time.

THE SOLUTION

Ward Recycling has turned to Budget Mobile Bodyshop for their expertise in vehicle repair and refurbishment. Leveraging all three of Budget Mobile Bodyshop's key services – panels, mobile, and commercial bodyshop – Ward Recycling benefits from a comprehensive suite of solutions tailored to their diverse fleet requirements. Budget Mobile Bodyshop's responsive service and swift turnaround times have proven instrumental in keeping Ward Recyclings' vehicles on the road, minimising disruptions to their operations.

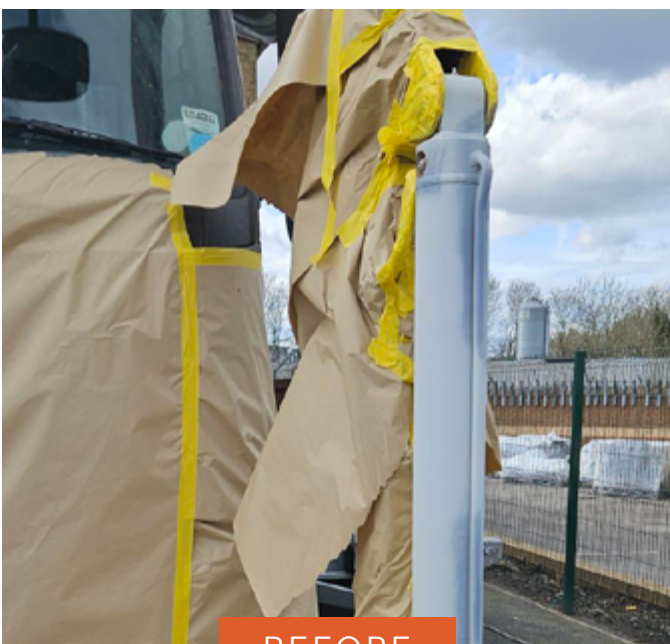

THE EXECUTION

In a recent instance, Ward Recycling required a new part to be fitted and painted to match the rest of their truck and lifting gear. They turned to Budget Mobile Bodyshop's commercial bodyshop service for a quick and effective solution. Upon dropping off the vehicle at our commercial bodyshop facility in Mansfield, our team promptly assessed the requirements and commenced work.

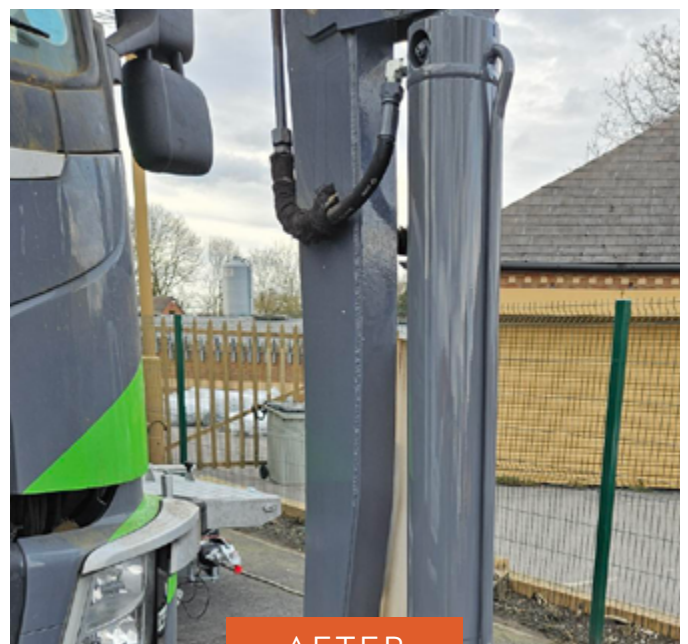

Utilising advanced painting techniques and colour-matching expertise, the new part was seamlessly integrated into the truck, ensuring a flawless finish. Remarkably, the entire job was completed within the same day, highlighting our commitment to efficiency and customer satisfaction.

THE RESULTS

Budget Mobile Bodyshop's swift and high-quality service has not only enabled Ward Recycling to maintain the reliability and aesthetics of its fleet vehicles but also played a pivotal role in its overall fleet management strategy. By entrusting its vehicle repair and refurbishment needs to Budget Mobile Bodyshop, Ward Recycling has streamlined its maintenance processes and minimised vehicle downtime.
